Giving of yourself—the best gift of all!

Each December the Danville Town Council recognizes many of the volunteers who share their time and talents to serve Danville-area residents. The Community Service Award recipients—who are of all ages—have typically “gone above and beyond” in one way or another to serve others. It truly is an honor to acknowledge their contributions at this prestigious community event.

Danville relies on volunteers in many parts of the Town organization. In 2011, over 1,400 families, seniors and youth provided 9,877 hours of service. They worked in the Police, Recreation and Maintenance Departments and throughout other program areas such as Administration, Finance, Planning, and Transportation. The in-kind value of these efforts is an amazing \$100,000, which supports the Town’s efforts to cost-effectively provide outstanding service to its residents.

You or someone you know may be thinking about getting out and doing something useful, learning something new, or teaching and mentoring others. Whatever your interest, it’s likely the Town has a spot for you. Ongoing volunteer opportunities in the Danville Recreation Services Department include greeting Art Gallery visitors, driving seniors to activities and appointments, working family-oriented special events, coaching youth basketball, or serving on the Valley-wide Youth Council.

With the soon-to-open, new Veterans Memorial Building and expanded area for senior programs, the Town is especially looking for those who are interested in staffing the front desk. This would include greeting Senior Center patrons, answering questions about programs and services, registering class participants and providing general office support on a half-day basis, once a week.

If becoming a volunteer sounds interesting to you, please check the Town’s website at www.danville.ca.gov under the Council and Government/Employment/Volunteer Opportunities section to submit your Volunteer Profile, or contact the Town’s Volunteer Program at 314-3458 for suggestions on how you can get involved.

Whatever your experience and interests, we’re happy to find ways for you to share them with others and to contribute to making Danville such a special place to live and work.

Residency Status Clarification

For residents outside the incorporated Town of Danville limits: Those living outside the Danville Town limits include residents of the communities of Alamo and Diablo, and Alamo Creek, Bettencourt Ranch, Blackhawk, Bryan Ranch, Monterosso, Shadow Creek and Whitegate housing developments.

The program and facility fees cover a large portion of the actual costs, though Town of Danville residents also partially support the classes, events and facilities through their property tax assessments. Because of this, those program participants and individuals reserving Town facilities who live outside of Danville pay an additional non-resident charge. If you have any questions about this information, call 314-3400.

Americans with Disabilities Act

In compliance with the Americans with Disabilities Act (ADA), the Town of Danville encourages those with disabilities to participate in our programs. If you have any special needs that require specific accommodations so you can fully enjoy our classes and programs, please call the Danville Community Center at (925) 314-3400.

Mail-In: Danville Community Center, Attn: Class Registrations, 420 Front Street, Danville, CA 94526

How do I select my child's class level?

Read the class descriptions in the order listed. Register your child for the first class level that describes skills that s/he has not yet mastered. Call 314-3400 for additional assistance.

Will classes be held in the rain?

Generally, classes will be held during inclement weather. However, the pool will be closed and classes cancelled if there is lightning.

What happens if my child passes the class, but I registered him for the same level next session?

If there is space available, your child will be transferred to the correct level.

Is it possible to make up a class that my child missed due to illness or vacation?

Unfortunately, we are not able to accommodate class make-ups.
